1500 Chinese Invade Zone and
Battle With Japanese
Troops

REPORTED REPULSED

Japanese Garrison is Hard
Pressed at North of
Mukden

MUKDEN, Oct. 22—Fifteen hundred Chinese troops, described by Japanese headquarters here as "bandits," invaded the South Manchuria railway zone tonight at Launshishan Station, near Tieling, thirty miles north of here.

The resulting clash with Japanese troops patrolling the railway zone delayed by two hours the progress of the night express from Changchun, which was carrying international travelers to Dairen.

At the same time a considerable body of Chinese troops attempted to cross the railway zone from west to east. Japanese troops were dispatched from Mukden to halt the Chinese and an armored train was also sent northward from Mukden.

Reports reaching here shortly afterward stated the "invaders" had been repulsed with heavy losses, but that no Japanese casualties had resulted.

Fighting between Japanese and Chinese troops in Manchuria has reached a new pitch of ferocity in the past 12 hours, according to reports from various points along the Japanese-owned railway running north from this city to Changchun, a distance of 150 miles.

The battle in which the largest number of troops was engaged was fought at Tieling, 45 miles north of Mukden. The Japanese garrison there was hard pressed by several Chinese divisions until reinforcements were rushed northward from here.

Japanese headquarters here profess to see the hand of Soviet Russia in the renewal of Chinese military activity in northern Manchuria. The leader of the Chinese forces in the Tsitsihar area, they say, is being supplied with Russian arms and ammunition.

Gen. Chang Chen is holding Tsitsihar, and according to the Japanese, has been in conference with Moscow officials. Gen. Chang Haipeng, who tried unsuccessfully to oust Chen, is now reported moving westward toward Hailar.

A Chinese "Red" army is being organized at Chientao, according to Japanese sources of information.

A Soviet commission of five members, headed by L. M. Karakhan, assistant Soviet Commissar of Foreign Affairs, is on its way to Manchuria, according to dispatches from Harbin.

Telephone Pictures Are Shown at P. T. A. Session

HULMEVILLE, Oct. 22—One of the most interesting meetings of Hulmeville-Middletown Parent-Teacher Association conducted in several films was held in Henry's Hall last evening.

The entertainment feature of the program was the showing of four reels of motion pictures, secured by Richard Hopkins, president of the P. T. A., through courtesy of the Bell Telephone Company.

The first reel, in story form, depicted the use to which telephones are put in isolated sections, dwelling particularly upon the value of such during storms. Manner in which repairs are made was also shown. A second reel showed scenes in many countries of the globe, with telephones and the necessary force ready to maintain such, in order to carry the human voice around the world. One film depicted a large fire in the central part of a city. The splendid service rendered by firemen and telephone workers was well brought out. A comedy picture, using the telephone as a basis, was also much enjoyed.

Mr. Hopkins presided over the business session. Following the singing of "America," Samuel J. Illick offered a prayer.

Decision was reached to purchase a used piano, for use in the lower grades. A motion was passed to secure at the school daily from the local dealer both pasteurized and raw milk, thus giving a choice to those who desire it.

Several new members were secured for the association. There were in attendance approximately 50 adults, with nearly the same number of children. Officers are much pleased with this attendance and ask that the parents continue to attend the meetings each month.

A treat will be furnished seventh and eighth grade pupils, for having the largest number of parents present. Ice cream was sold during the evening.

ARMISTICE DINNER IS ARRANGED FOR NOV. 10

Bracken Post, American Legion, to Have Most Excellent Program

PLAN FOR BIG YEAR

In order to celebrate the cessation of hostilities in the World War, the members of Robert W. Bracken Post, American Legion, are planning to hold an Armistice dinner on the evening of Tuesday, November 10th.

The committee in charge has not as yet named the place of this dinner and will not do so until the members intending to attend have mailed their acceptance cards to the chairman. In order to facilitate the making of proper arrangements all post members and auxiliary members are urged to notify the dinner chairman of their intentions at once.

In addition to prominent speakers first class entertainment is also planned.

At the regular monthly meeting of the post held on Tuesday evening Arthur Zug was installed as post commander for 1931-32, by District Commander Walt; and Ralph Scheffey and Michael McCle as vice commanders.

The Ninth District Armistice Day celebration this year is to be held in Norristown, and Commander Zug and his assistants are planning to take a large delegation from Bristol. This visitation is just a start for a busy and enjoyable season for Bristol Legionnaires, as the new commander promises to have something going on in the post at all times to interest the members, especially on regular meeting nights. Commander Zug states it is the duty and obligation of every former service man to be on to some veteran organization and that he as commander invites them to join the Bracken Post.

There is no initiation fee and the dues are only \$5 per year which begins in October.

GIVES SUMMARY OF ASSISTANCE FUND WORK

Extensive Health Work Being
Done by Mrs. Minerva
O. Epstein

TO MEET NEXT MONTH

An idea of the extent and value of the Mothers' Assistance Fund work is given in a summary of the health work that has been carried on by the executive secretary, Mrs. Minerva O. Epstein, of Bristol, in addition to the general relief work the trustees are looking after among the thirty-three families under their care.

Mrs. Epstein, for instance, supervised taking 19 children to hospitals for tonsil operations; one at Harritman Hospital, Bristol; seven at Quakertown; three at Sellersville, and eight at Abington Hospital.

In addition she took four children to have Wasserman tests, all of which were negative; thirteen to have eye examinations; five for urinalysis; one for a pelvic examination, one for a rectal examination, two for ear irrigations, and saw that one for whom a truss was prescribed by a physician and one who needed a shoulder brace received them.

Great assistance has been given the trustees financially by the women's clubs to enable them to provide for emergency needs which cannot be covered by the county and state funds placed at their disposal. They are depending very much on this assistance and the extent of their service depends very largely on the generosity shown in this way.

The next meeting of the trustees will be held on November 17th.

Members of the board are: President, Mrs. William C. Ryan, Doylestown; vice-president, Mrs. Frank Lehman, Bristol; recording secretary, Mrs. Edward Blackman, New Hope; executive secretary, Mrs. Minerva O. Epstein, Bristol; treasurer, Miss Laura C. Haines, Doylestown; Mrs. William Weaver, Springtown; Mrs. Joseph Briggs, Yardley; Mrs. Walter Raab, Southampton.

The home of Mr. and Mrs. Harlan Howell, Dorrance street, was the setting for a delightful costume party on Wednesday evening, when Mr. and Mrs. Howell's daughter, Miss Sylvia, and Miss Gertrude Hanson, of Jefferson avenue, were hostesses to a number of their friends. The home was beautifully decorated in the Hallowe'en colors, orange and black crepe paper, with pumpkins, black cats and balloons.

Prizes were awarded for costumes and to Miss Jane McAuley was given the prize for the most original. Miss Hilda Hamilton was the recipient of the "comic" prize, and Miss Clara Folliott the best dressed.

During the evening the guests were entertained with various games and dancing. At a late hour delicious refreshments were served.

The invited guests included: the Misses Hilda Hamilton, Kitty Ellis, Jane McAuley, Betty Burger, Anna Bunting, Clara Follin, Angelina Oriola, Elva Wilkinson, Elva Nelson, Marie Craven, Dorothy Evans, Evelyn Nichols, Gertrude Hanson and Sylvia Howell.

LINDBERGH'S TAKE OFF

Victoria, B. C., Oct. 22—Making a perfect take-off from an emergency landing field, Colonel Charles A. Lindbergh, accompanied by his wife and Vance Breese, California aviator, left here this morning at 6.22, Pacific standard time. The Lindberghs intend landing at Seattle on the first leg of the journey and Colonel Lindbergh said he expected to be in New York city by tomorrow night.

AWAIT LAVALL'S ARRIVAL

Washington, D. C., Oct. 22—A hopeful but frankly skeptical Washington awaited the arrival today of the French Premier Lavall who crossed the Atlantic to inaugurate a series of conferences with American officials that contain almost incalculable possibilities. Washington is hopeful the discussions will result in understanding and co-operative endeavors that will relieve international irritation over disarmament, international debts, reparations, the gold standard and kindred aggravation. But, at the same time, Washington is skeptical anything will result from Lavall's visit except the earnest presentation of the Franco-American view-points on these problems, and these view-points, it might be added, clash at nearly every turn.

COUNTY INSTITUTE OPENS NOVEMBER 9TH

Announcement of Program is
Made Public by County
Superintendent

WILL HOLD CLINIC

Bucks County annual teachers' institute will be held in Doylestown from November 9 to November 13 inclusive.

Wednesday, November 11th, will be observed as Directors' Day. At the morning session, Dr. William M. Denison, of the Department of Public Instruction will explain the legislation enacted by the recent Legislature. Directors are urged to bring their problems for Dr. Denison to discuss. This should be made a very profitable meeting.

Dr. Augustus Thomas, of Maine, and Chester M. Sanford, world-wide authority on vocational guidance, will be speakers at this meeting.

In the afternoon the directors will meet with the teachers in the court house.

"We have quite a number of children in our schools who are troubled with speech defects. A clinic for such cases will be conducted in the high school building on Wednesday, Thursday and Friday during Institute Week. The clinic will be in charge of Dr. Frank Hipps, president of the Byron King School at Pittsburgh," announces J. H. Hoffman, county superintendent.

Teachers having such handicapped children should arrange to bring them to this clinic to learn how they may help them during the year. I wish the school directors of the county would urge their teachers to place every child who stammers or stutters in charge of Dr. Hipps during the week," concludes Mr. Hoffman.

"Tuesday will be observed as Parent-Teacher Day. So much help can be given to our school authorities if the Directors will help in organizing and conducting properly managed parent-teacher organizations," reads an announcement.

WEDDING CEREMONIES OF INTEREST OCCUR

Miss Margaret Milnor Becomes Wife of Chauncey E. Stoneback, Jr.

PRIETH AND LARRISEY

A quiet wedding occurred yesterday afternoon in the Presbyterian Manse, 221 Radcliffe street, at 1.30 o'clock, when Miss Margaret O. Milnor, daughter of Mr. and Mrs. Charles Milnor, of Bath Road, was united in marriage to Chauncey E. Stoneback, Jr., son of Chauncey E. Stoneback, of 207 Jefferson avenue. Rev. S. B. Knowlton, pastor of the church, performed the ceremony.

The attendants of the young couple were: the bride's mother, Mrs. Milnor, and the groom's father, C. E. Stoneback, and the ceremony was performed in the presence of only the immediate members of the families.

Mrs. Stoneback, Jr., was charming in a jacket dress of poudre blue toned flat crepe made on modern lines, the jacket featuring long loose bell sleeves with the skirt long and flaring. With this costume, the bride wore a small black felt hat, and black suede slippers. Her flowers consisted of a corsage bouquet of white roses.

Mrs. Milnor was gowned in a beautiful dark blue toned flat crepe frock, which also was attractive in its simplicity. She wore a small hat of matching shade and black kid slippers. Her flowers also consisted of a corsage bouquet of pink roses.

Following the ceremony Mr. and Mrs. Stoneback left on a motor trip to Bear Mountain. Upon their return, in a week's time, they will reside temporarily at the home of the groom's father, 207 Jefferson avenue.

The bride is a member of a large circle of friends here, having been graduated from Bristol High School, in the class of '28. Following her school days, she completed a course of training as a nurse at the Women's College Hospital, East Falls, Philadelphia.

The groom is also a well-known Bristolian, having also been graduated from the Bristol high school, in the class of '25. Mr. Stoneback is now connected with his father in the coal and lumber business of Peirce & Williams.

A very pretty wedding took place yesterday afternoon at two o'clock in St. Mark's Church when Miss Agnes B. Larrisey, of 636 Beaver street, and Gottfried F. Prieth, son of Mr. and Mrs. Louis J. Prieth, of Prospect avenue, Trenton, were united in marriage by Rev. Father Joseph Murray, assistant rector of the church.

Miss Katharine Keating, organist, played Lohengrin's wedding march as the bridal party entered the church, and during the ceremony, Miss Cecelia Kelly sang "Oh, Promise Me."

Miss Julia McFadden, cousin of the bride, was bridesmaid; and John Callahan, of Trenton, served as best man. The bride was attractive in a blue chiffon velvet dress, fashioned Empress Eugenie style, with long puff sleeves. A blue velvet hat, of the "Eugenie" type, beige color gloves and stockings, with blue moire slippers completed this charming costume. She carried an arm bouquet of white "mums."

Miss McFadden was attractively gowned in brown chiffon velvet, trimmed with egg shell satin and egg shell lace collar. With this she wore a brown velvet hat, Spanish sailor

NARROWLY ESCAPES DEATH BY FUMES OF CARBONMONOXIDE

Joseph T. Schramm, Philadelphia, Found in Croydon Garage

MOTOR WAS RUNNING

Man Had Gone to the Second
Floor to Get a
Door

CROYDON, Oct. 22—A Philadelphia man lies dangerously ill in the Harritman Hospital, Bristol, after being overcome by the fumes of carbon-monoxide gas in his garage, here.

Joseph T. Schramm, 58, 1901 E. Birch street, Philadelphia, was found late yesterday afternoon in an unconscious condition by Rudolph Nennetto, who lives in the same building. The man's son, who resides a few blocks away was summoned and rushed his father to the hospital at Bristol.

Schramm is married and has four children.

Schramm left his home in Philadelphia yesterday morning and came to his garage at Walnut avenue and Neshaminy Road, which he also uses as a workshop in his trade as carpenter.

The building is a one and one-half story structure and of a twin nature. The portion of the building occupied by Schramm is used as a garage and workshop. In the upper floor he has lumber and material stored.

Yesterday he came here to get two doors for a job which he was doing in Philadelphia. The doors were on the second floor and he apparently had been working on the motor of his car and then went to the second floor for the doors. One of these had been brought down and stood beside the automobile of Schramm. He was found on the second floor in such a position as would indicate that he was returning to get the second door when stricken.

Nennetto occupies a portion of the other half of the building as a residence and he was attracted by the constant running of a motor from noon until five o'clock last evening. Nennetto investigated and found all doors and windows closed. He went for Schramm's son and the latter broke one of the windows and found his father. It is thought that the garage door which was hooked on the inside had accidentally become fastened by the hook falling over the catch.

Schramm's condition today is said to be fairly good.

New Subjects at Night Classes Interest Many

The Pennsylvania State College held its first night for registration last evening. The number of students showing interest in specialized training is encouraging to the college and school authorities.

The two newly-added subjects, business English and correspondence, and accounting, are of interest to many. A number of former Penn State extension students returned to enroll for advanced work.

Registration will continue tonight and tomorrow evening from 7 until 10. A representative of the college will be at the Wood street school to describe the nature of the subjects offered to all interested. The subjects embrace both commercial and technical fields.

DAMAGING LAWN

By "The Stroller"

Almost nightly there is a group of young boys who turn the lawn of the Jefferson avenue school building into a miniature gridiron.

This should be stopped at once as it'll be but a short while before the entire lawn is ruined. The Jefferson avenue building is the only school building in Bristol which is attractive from the outside and which has grounds which are attractive. There is no reason why they should be ruined when there are so many other places for the boys to play. If the school yard must be used stage the games in the rear yard.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931 C. M. Co.

"Nerves Nearly Broke Up Home"

"How Tragedy Was Averted"

"I became terribly nervous, touchy and irritable," writes Mrs. R. Fink. "I quarreled with my husband about the slightest thing. The condition made me look terrible."

"My husband finally left and then I nearly went crazy with 'nerves' and unhappiness."

"Fortunately I heard of Vreem and tried it. From the very first dose I was able to sleep soundly and in a very short time my nerves were as good as ever. Now I am strong and well. I look 10 years younger. Best of all, my husband has returned."

Vreem was developed during the War to calm the nerves of shell-shocked soldiers. It proved the greatest nerve remedy ever known. Now it has been placed on sale everywhere. It ends nervousness, also headaches, indigestion and heart palpitations due to nervousness, when all other remedies fail. Contains no dangerous dope. Safe for everybody.

Don't suffer with nerves any longer. Get Vreem today, sleep nine tonight, feel great tomorrow. Guaranteed to delight you or money returned. At Hoffman's Cut Rate Store.—(Adv.)

NOW A GASOLINE WITH

CLIMATIC-CONTROL*

MOBILGAS steps ahead again! This time with Climatic-Control! • A start with a cold motor . . . a hard drive in the heat of the day . . . a dash through a sudden storm . . . a slow drag on a long hill. A day's driving in any locality forces your car through many different climatic changes that affect "engine heat," to which gasoline is extremely sensitive. • That is why the makers of Mobilgas, always striving for a better fuel, have developed Climatic-Control. They have pre-adjusted this quality gasoline to adapt itself automatically to the variations in "engine heat." • This gives you the highest usable level of performance in any weather, temperature, altitude—or other varying conditions through which you drive. • And all without increase in price! Fill up today with Mobilgas and let your car decide.

VACUUM OIL COMPANY, INC.

*CLIMATIC-CONTROL is the pre-adjustment of the specifications of Mobilgas so that it automatically adapts itself to the variations in "engine heat," even as high as 400° F., caused by changes in temperature, altitude, humidity and road "pull." In the Mobilgas Research Laboratories, all these changing climatic conditions have been "manufactured" in hot and cold testing chambers. Here engine tests are conducted day after day. The road performance of Mobilgas is thus scientifically verified at different "engine heats," and its specifications are pre-adjusted before it is placed on sale in your locality.

Drawings from actual photographs made at Mobilgas Research Laboratories, Paulsboro, N. J.

IN specially constructed chambers, electric heating units and refrigerating apparatus, controlled by thermostats, duplicate the temperatures of your locality. Tests are made at driving temperatures from 20° below zero to 150° above. The exact road performance of Mobilgas, under the different "engine heats" produced by these tests, is measured and recorded on the control panel by the most delicate instruments. With this exact knowledge, the specifications of Mobilgas are then pre-adjusted to provide Climatic-Control, a scientific achievement.

There has been some misunderstanding about the game laws and it has been cleared up by a letter received from the Board of Game Commissioners by Mr. Hal Strycker, Mills, of Bristol.

The letter reads: "Male pheasants may be killed every day except Sunday during the period from November 1 to 30, 1931. The three day a week season applies to ruffed grouse only."

NEWS BRIEFS

LEAGUE TO ADJOURN

Geneva, Switzerland, Oct. 22.—The Council of the League of Nations today moved toward adjournment for three weeks on condition that Japan promise to withdraw her troops from Manchuria during that period that China will undertake to protect Japanese lives and property.

A plenary meeting of the Council to consider adopting a resolution providing for a recess on these terms was summoned for 4 o'clock this afternoon.

PENNSYLVANIA DAY

Harrisburg, Oct. 22.—Declaring that "the character and principle of William Penn and his devotion to what he conceded to be right should ever be kept before our people" Governor Gifford Pinchot today had issued a proclamation setting Saturday, October 24th, for the observance of Pennsylvania Day.

Ex-Fireman to Preach At Newport Chapel

A series of sermons is to be delivered by the Rev. Wilbert E. Fite, an ex-fireman, at Newport Road Community Chapel, the group of talks to

cover Sunday evening services for six weeks.

On this Sunday evening at 7.30, Rev. Fite will occupy the pulpit at the Newport Road Chapel, the special series, commencing on Sunday night, November 1st. The six sermons will be entitled, respectively: "The Blood-Stained Cross," "Old Ship Zion," "Up the Ladder," "Ambassador for Christ," "Is There a Hell?" "What Time Is It?"

"Up the Ladder," the topic for November 15th, has been especially prepared for firemen, who are asked to make an effort to attend at that time.

Bishop Francis M. Taite To Visit Hulmeville Church

HULMEVILLE, Oct. 22.—Bishop Francis M. Taite will visit Grace P. E.

Church on the occasion of its 100th anniversary next month.

Arrangements have been made with Bishop Taite to occupy the pulpit on the evening of Thursday, November 19th, at which time he will conduct confirmation.

A three-day program is being arranged in order to fittingly mark the 100 years of service of the Episcopal Church in this borough.

A special service will likewise be conducted on Friday evening, the 20th; while on the 21st, Saturday, a supper and bazaar will occur in the parish room.

The vestry of the church is in charge of the program, and plans thus far arranged bespeak a most excellent program.

At the present time Rev. James Gilbert is serving as rector of Grace Church.
